EDUCATION & CERTIFICATIONS

B.Tech - Computer Science Engineering

Dr. MGR Educational and Research Institute
currently with CGPA : 7.0

Intermediate

Narayana Jr College, Tanuku CGPA : 7.0

Secondary School Certificate

Montessori School, Tanuku. CGPA : 9.7

PROJECTS

Major Project - Student Live Behaviour using AI

In this project we are gonna collect several images of the student and the images are processed based on the student behaviour.

Minor Project - Traffic Control System using IOT

In this we will prepare a chip and places it in a car and it will get activated after the accident occurs And it will automatically shares the location of the accident to the near by hospitals or police stations and we can do it at a very low cost.
